Have you enjoyed using this Highway 402 map?

If so, and you are Florida bound — then you will **LOVE** "Along the I-75," the best selling driving guide with full coloured maps to take you all the way from Detroit to the Florida Border — and back.

Contains all the I-75 road information, every gas, food and lodging facility, shopping malls and factory outlets, police speed trap areas, construction zones, hospitals and drug stores, radio stations, stories about the countryside around you, sidetraps, history, battle sites, attractions — and much, much more . . .

"turns a boring 3 day drive . . .

. . . into a mini-vacation"

"your Insider Tips saved us more . . .

. . . more than the price of the book"

15 year veteran of the I-75

Available . . .

In Canada, Indigo, Chapters, Coles and Ontario CAA offices.

In the U.S., Barnes & Noble, Border, B.Dalton, Waldenbooks and some AAA offices.
